

**Covenant** — “to fetter,” “to bind.”

Two types of Covenant in Scripture: Bi-Lateral & Uni-Lateral

> Most of the major, salvific covenants in the Bible are Uni-lateral, or **unconditional**.

These are: Noahic, Abrahamic, Mosaic, Davidic and New.

> There are three components to each Covenant:

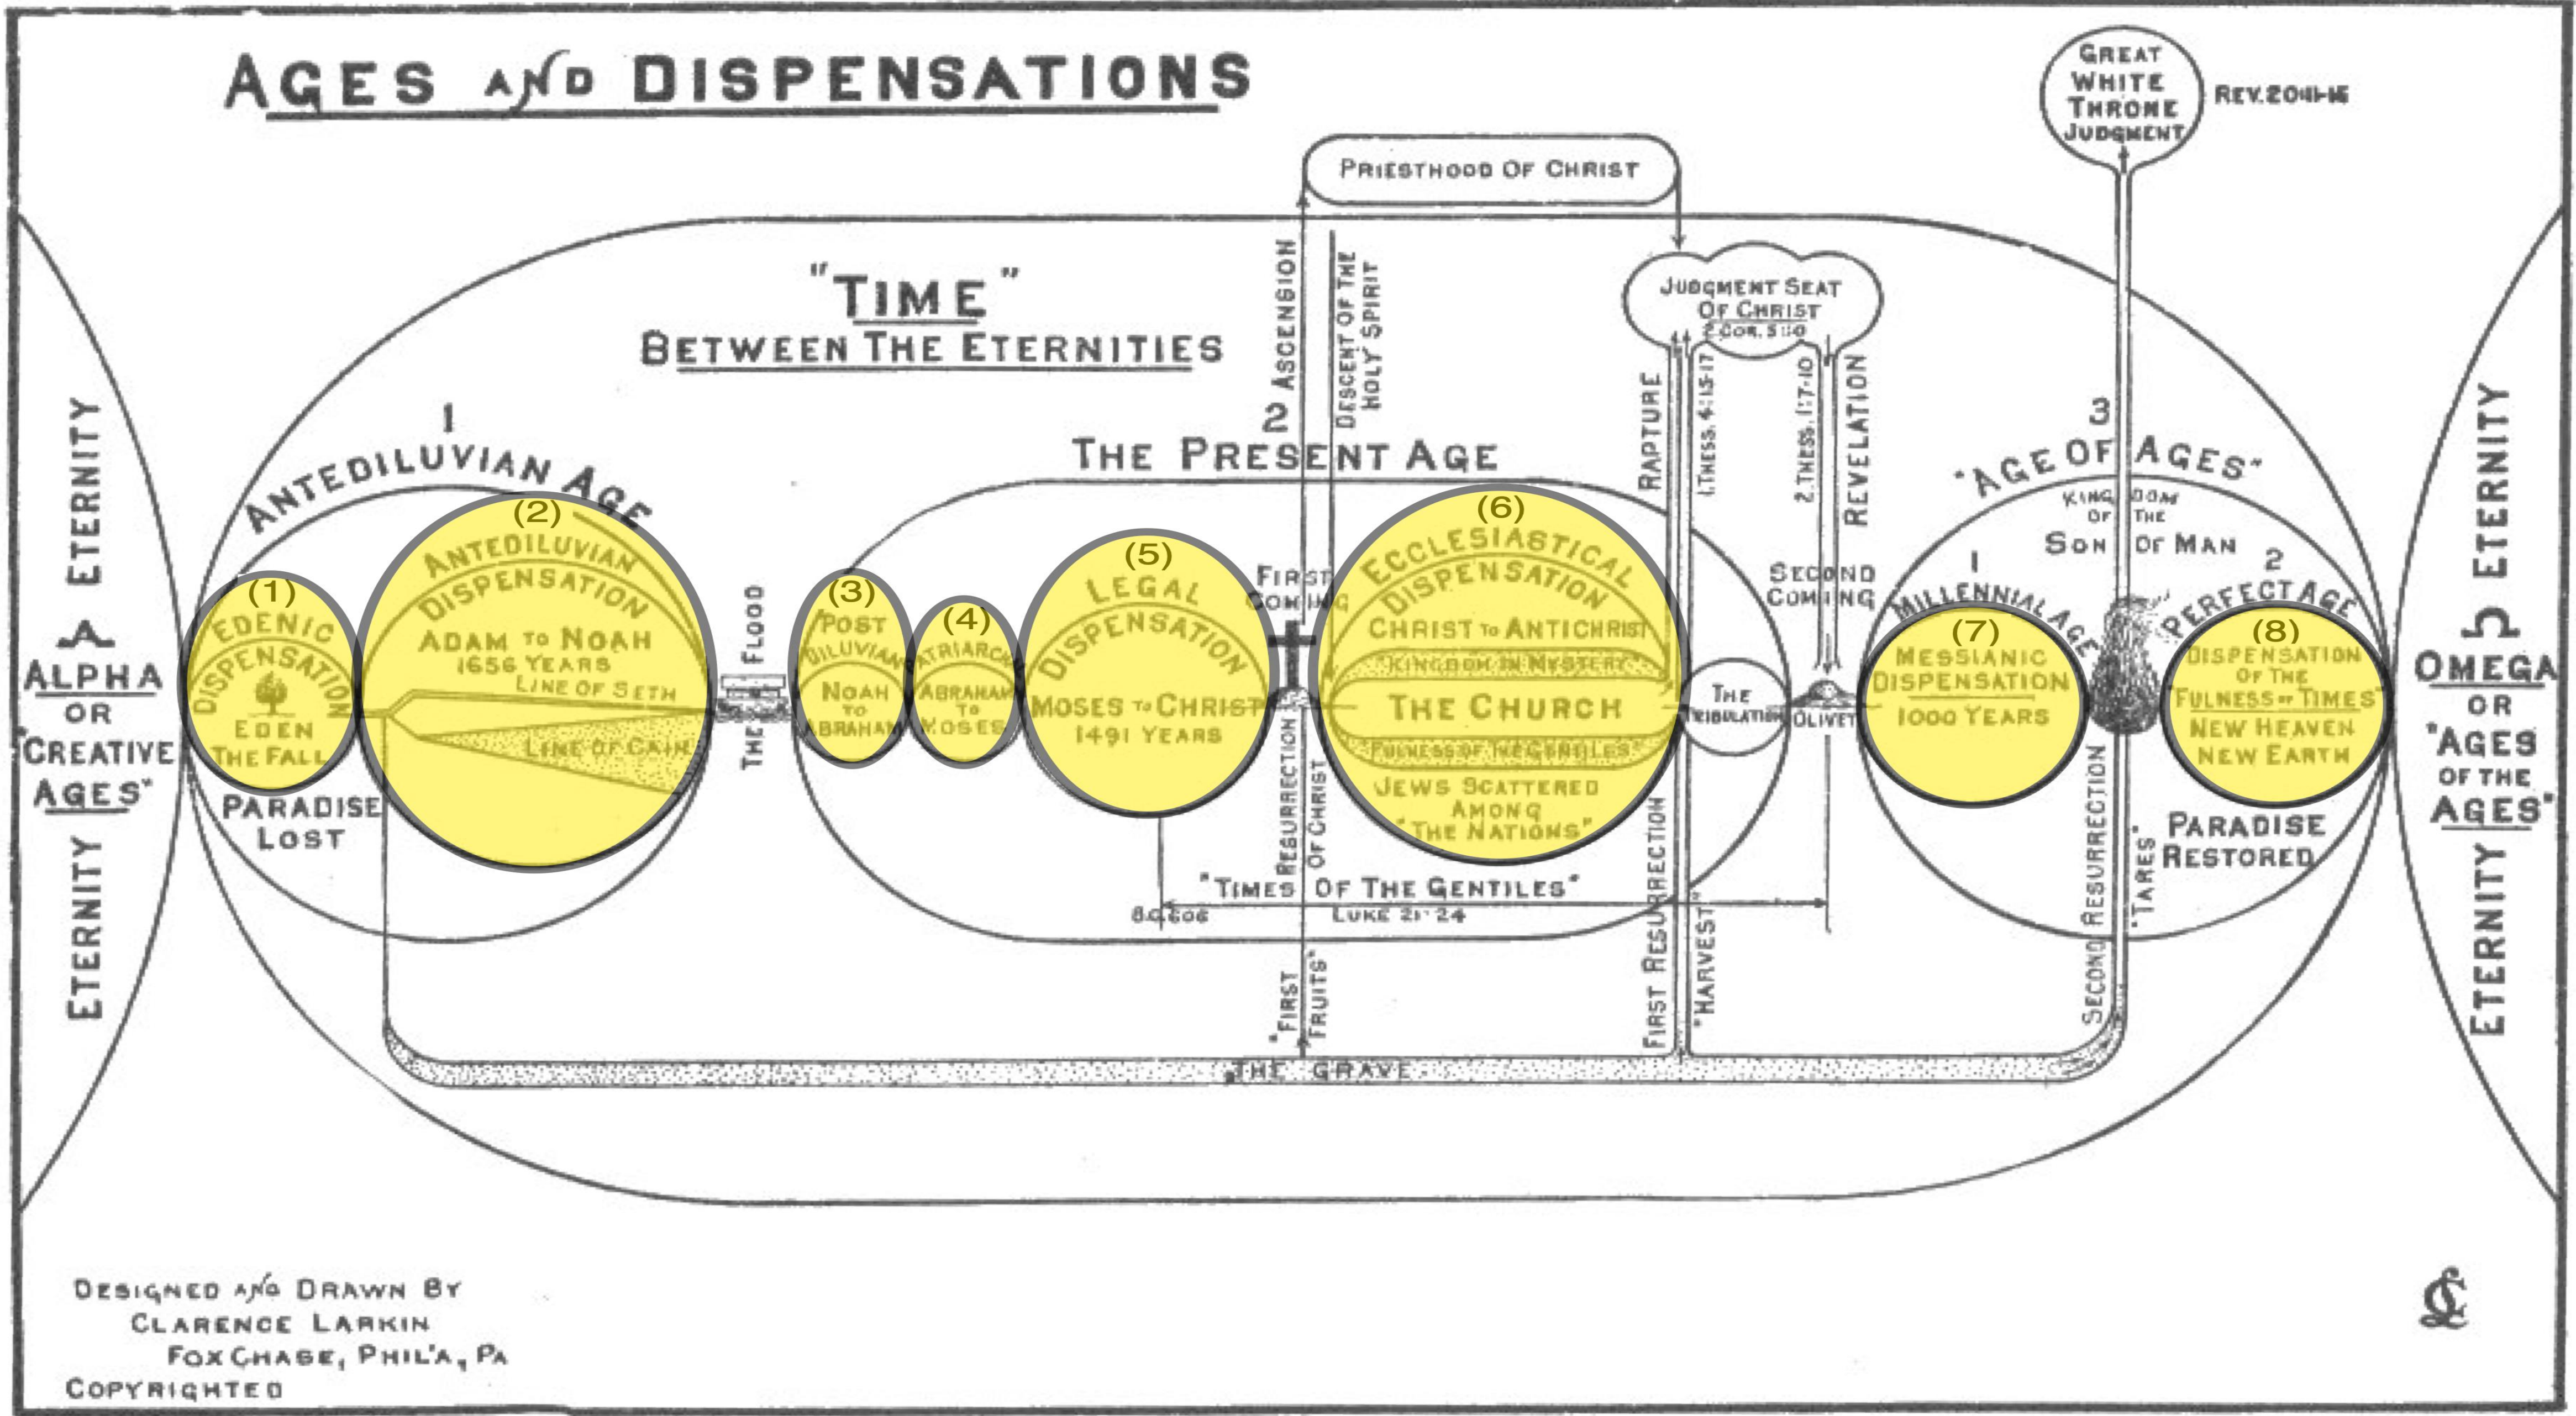

1.) **Promise**

2.) **Token**

3.) **Ratification Ceremony**
